

Project Based Staging (Small)

Base, Line Maintenance & Ground Handling Equipment

Base Maintenance Equipment

Reliable easy to use low maintenance equipment for efficient maintenance operations.

Project Based Staging (Small)

At TBD Owen Holland, we design and manufacture a wide range of staging systems, customised to suit individual specifications. Each of our staging systems is specifically designed to facilitate the safe and efficient maintenance of any specified aircraft.

The staging is designed to be robust yet lightweight and highly manoeuvrable and is based on our standard proven configurations to provide safe access to the required areas in full compliance with the requirements of the international Health and Safety requirements and Working At Height Regulation (WAHR).

Staging is readily configurable for your aircraft access requirements for small aircraft to suit both main base and or deployed operations configurations.

Key features

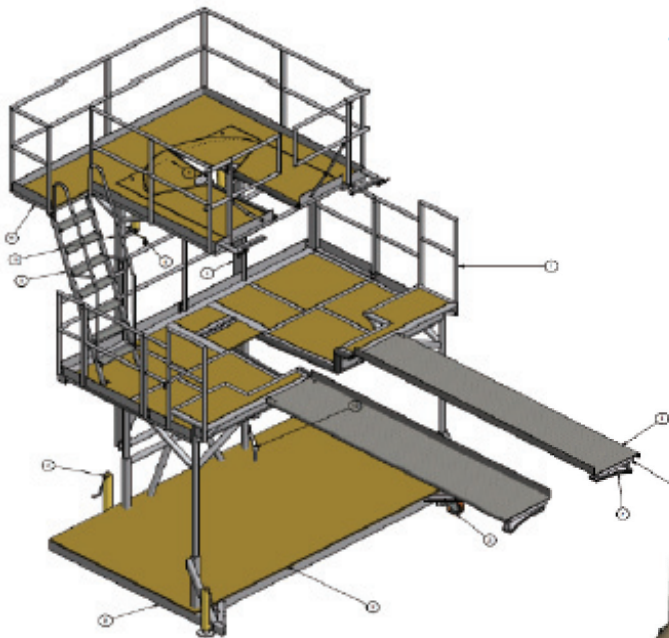

- Robust and manoeuvrable.
- Excellent stability and fit for each aircraft.
- Main base and / or deployed operations configurations.
- BS312312 pt 8 and WAHR Compliant.
- Wide range of platform interface options.
- Readily configurable for your aircraft access requirement for fixed and rotary wing aircraft.

Project Based Staging (Small)

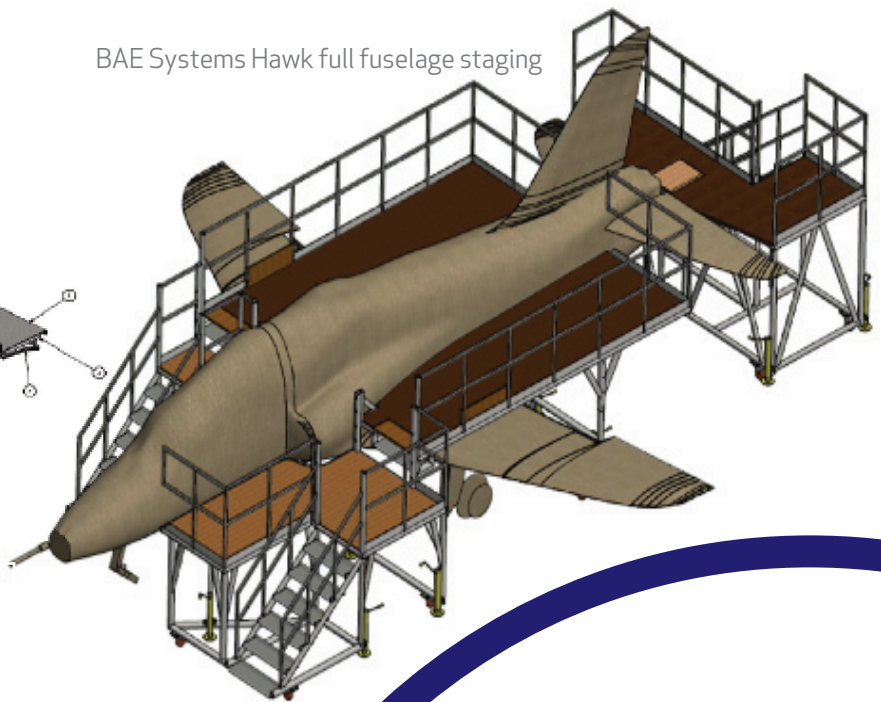

Options & extras

- Aircraft type: single or multi aircraft fit. On wheels / jacked etc.
- Staging support: Floor mounted on castors / fixed frame / roof suspended.
- Manoeuvring: Manual / Tow Bar / Self-powered.
- Material: Steel / Aluminium.
- Decking Materials: Hangar only or all weather. Epoxy resin sealed plywood / GRP grating or solid / aluminium or steel self punched draining or tread plate.
- Different Deck options.
- Finish: Galvanized or painted.
- Stabiliser Jacks: Wind down / quick release kick down / powered.
- Handrails: Fixed / drop in / folding meshed or unmeshed.
- Access: provision of gates, trap doors, hoists etc. for removal and loading / off loading.
- Fixtures: Built in work benches / storage etc.

BAE Systems Typhoon / Eurofighter fin / rear fuselage access staging

BAE Systems Hawk full fuselage staging

Please note that every effort is made to ensure that all dimensions are correct, however we do reserve the rights to make changes at our own discretion.
